

Understanding Opta data feeds

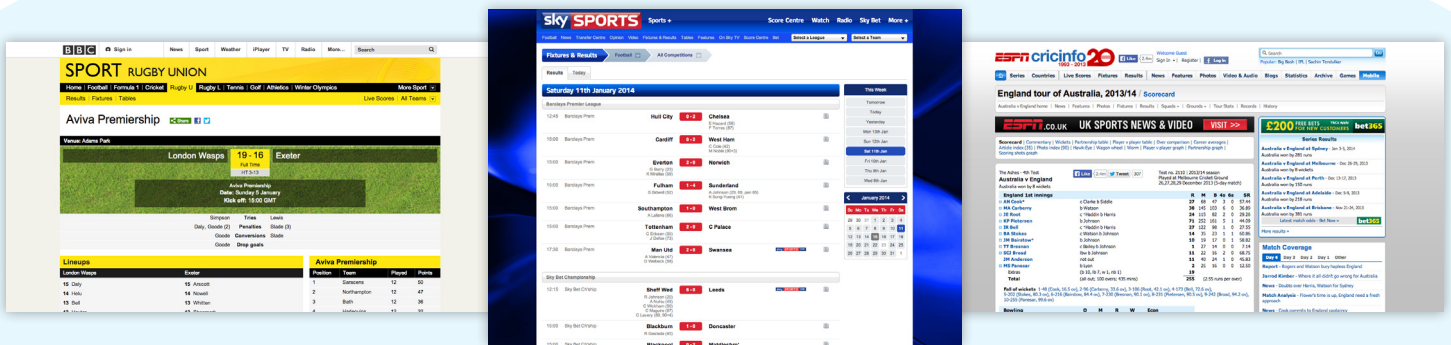

Opta offer a wide variety of data feeds, and these are split into three different tiers, depending on the level of detail. These tiers are Core, Classic and Performance.

About Opta's Core Data feeds

By providing the largest variety of delivery methods available, Opta's Core Data feeds offer maximum flexibility and convenience.

Opta's Core Data feeds include information such as:

- Team & player profiles
- Live scores & scorers
- Fixtures
- Substitutions & replacements
- Results & league standings
- Venue information
- Squads & lineups

Coverage

Football

- Coverage of over 700 competitions from across the globe.
- The largest collection of live, accurate and reliable football data available.
- Core Data Feeds include: fixtures, squads and line-ups, team and player profiles and live scores.
